RING SIZER

PRINT SIZE CHECK

Once you've printed this page out take a ruler and check the measurement opposite.

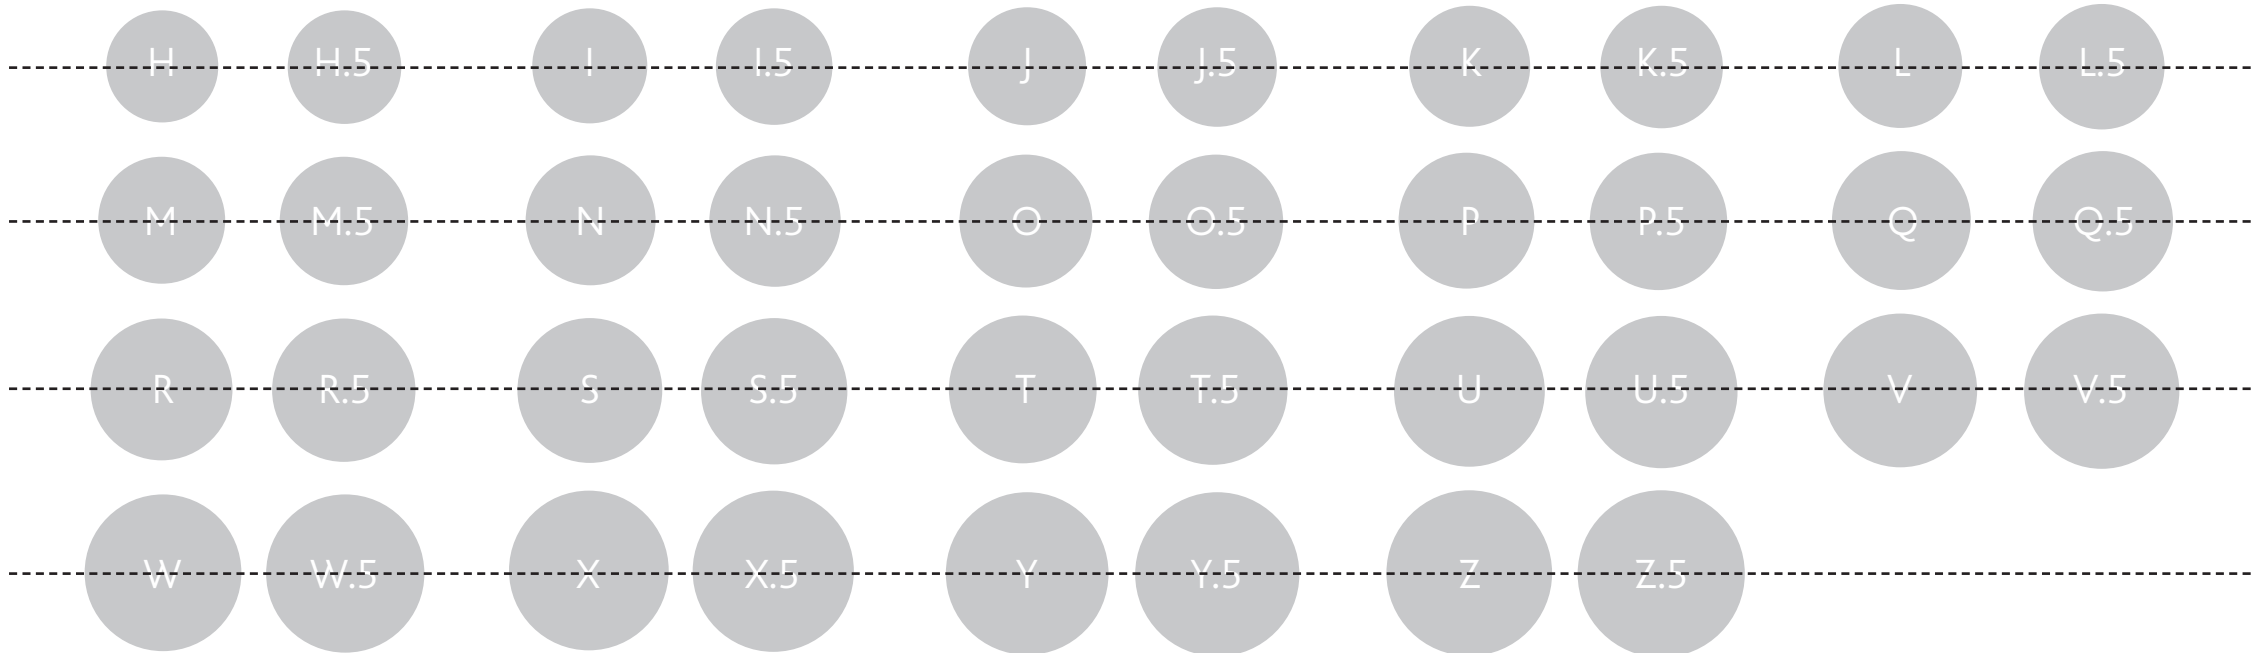

This is to ensure the page has printed to the correct scale.

(When sending to print, please check that the page scaling is set to 'None/100%' as opposed to 'fit to paper/shrink large pages'.)

RING SIZER: 1

Place a ring that already fits over the circle to find your size. Or cut out circle of size. By folding along centre line and cutting round.

RING SIZER: 2

Cut out ring sizer 2, wrap around finger and insert end 1 through end 2. Tighten strip.

Make sure the finished size, can slide on and off your finger. Read size from arrowed side.
